

## 【BizLink Holding Second Quarter 2016 Results】

Issued by: BizLink Holding Inc. (TWSE code: 3665)

Issued on: August 12<sup>th</sup>, 2016

BizLink Holding inc. (TWSE: 3665) today reported results for the second quarter of 2016. Audited consolidated net sales totaled NTD 2,279,713 thousand (US\$ 70,310 thousand), an increase of 11.63% (calculations made in NTD) from the same period in 2015. The EPS for the quarter was NTD 2.15 (US\$ 0.066).

Gross Profit Margin for the quarter was 27.9%, an improvement over the same period in the previous year. Gross Profit improved by 17.69%, while Net Operating Income improved by 23.74%. Rise in Non-operating Income was due in part to an appreciating USD, leading to measurable foreign exchange gains.

### Second Quarter 2016 Operational Highlights

- Information Technology- USB-C products showed continued gradual growth, remaining a driver for the IT segment.
- Overall vehicular orders remained stable; however Electric Vehicle Harnesses shipments increased significantly.
- Medical harness shipments strengthened to a small degree.

### Second Half 2016 Outlook

- Information Technology- Product growth was hampered by partial component shortages in the last quarter. Expected to be rectified in the third quarter to bring further headway.
- Motor vehicle harness shipments are expected to show continued growth.
- Current orders in medical equipment harnesses are forecasted to cross into the latter half of the year.

\* The consolidated net sales for the same period in 2015 totaled NTD 2,042,183 thousand (US\$ 66,216) (audited by CPA).
